THANK YOU FOR THE WONDERFUL
 PURIM CARE PACKAGE.

I shared it with our small
 congregation here in Baghdad. We are
 mostly US Military and state department
 civilians, though there are contractors,
 An Australian Army officer and a local
 Iraqi woman also. she is one of the
 last 8 remaining Iraqi Jews in
 Baghdad. She has added so much to
 our group and helped us all realize what
 it means to be Jews in Iraq.

Thank you Again!
